

REMARKS

The application has been amended and is believed to be in condition for allowance.

Claim 37 has been amended as suggested by the Official Action.

Claims 37, 38, 40 and 42 were rejected under nonstatutory obviousness-type double patenting over claims 13-17 of U.S. Patent No. 7,121,922 to VAN BRUG. To overcome this rejection, a terminal disclaimer is attached.

The remaining claims are either allowed or indicated to be directed to allowable subject matter. Accordingly, allowance of all the claims is respectfully requested.

Should there be any matters that need to be resolved in the present application; the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
